

LANDSCAPE MANAGEMENT

Gardiners provide a fully comprehensive Landscaping and Grounds Maintenance service, from the smallest of unmanned locations to much larger sites across the South West, Wales and The Midlands.

We are contracted directly by utility companies, larger contractors, and local authorities. Our clients include Wessex Water, Kier Construction, and Gloucester City Council.

Many of the sites we are required to work on are potentially hazardous and may involve working near water or in areas which have the potential for exposure to gas. As such, our operatives are all fully trained and inducted to manage these risks. Our approach to health and safety is of paramount importance to us.

Gardiners are full contracting members of the British Association of Landscape Industries. BALI, is established to promote, support and inspire all professional landscapers to be leaders of an environmentally, ethically, and commercially sustainable landscape industry.

Our services include:

- ◆ Multi-site grounds maintenance
- ◆ Grass cutting and weed control
- ◆ Planting schemes
- ◆ Arboriculture
- ◆ Tree surgery and hedge maintenance
- ◆ Landscaping
- ◆ Habitat protection and pond creation
- ◆ Fencing
- ◆ Emergency clearance works
- ◆ SuDS drainage systems
- ◆ Biodiversity net gain

Head Office: Cirencester Road, Chalford, Stroud, Gloucestershire GL6 8PE
